Examination Score Report

ZAID SHAIKH

Oracle Testing ID: OC1587125

1Z0-051 Oracle Database 11g: SQL Fundamentals I

Exam Date: 05/03/2016
Registration: 299076089
Center ID: 75473

Your Score: 89%

Passing Score: 60%

Result: Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply conditional expressions in a SELECT statement
- Create and maintain indexes
- Explain how constraints are created at the time of table creation
- Group data by using the GROUP BY clause
- Include or exclude grouped rows by using the HAVING clause
- List the data types that are available for columns

If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit certifcat.Oracle.com and select your certification path to ensure you are aware of all certification requirements.
- Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.Oracle.com to confirm that all completed components are in your profile.
 - If you notice that you have taken but not shown up you may have taken them under a different Oracle Testing ID.
 - Contact myexam@Oracle.com to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the surviving ID).
- Go to certview.Oracle.com to download your Success Kit. You will receive an email with a download link to your Success Kit.
 - The address that is on file in your Pearson VUE profile is the address to which we will mail your certificate. Please be absolutely sure that it is correct.
